

AIRPORT ROAD CONSTRUCTION UPDATE

FROM THE INTERNATIONAL CENTRE TO DERRY ROAD EAST, CITY OF MISSISSAUGA

The International Centre has been informed by the Region of Peel that they will be starting road construction outside of our facility in early June. The International Centre will make every effort to minimize any disruption to your event as a result of the City's road construction.

The International Centre will maintain regular contact with the Region of Peel regarding updates to the project schedule. We will communicate this information to our Clients in a timely manner. Please contact your Sales Manager should you have any questions or concerns.

Below is an outline of the project schedule and possible road restrictions.

Construction location:

On Airport Road from Derry Road East to approximately 400m south, as shown in the below map.

Start Date: June 1st, 2017

Finish Date: Approximately September 15, 2017 (weather permitting)

Construction Hours

Construction hours are from 7 a.m. to 7 p.m. however, some phases of the work will be completed at night time.

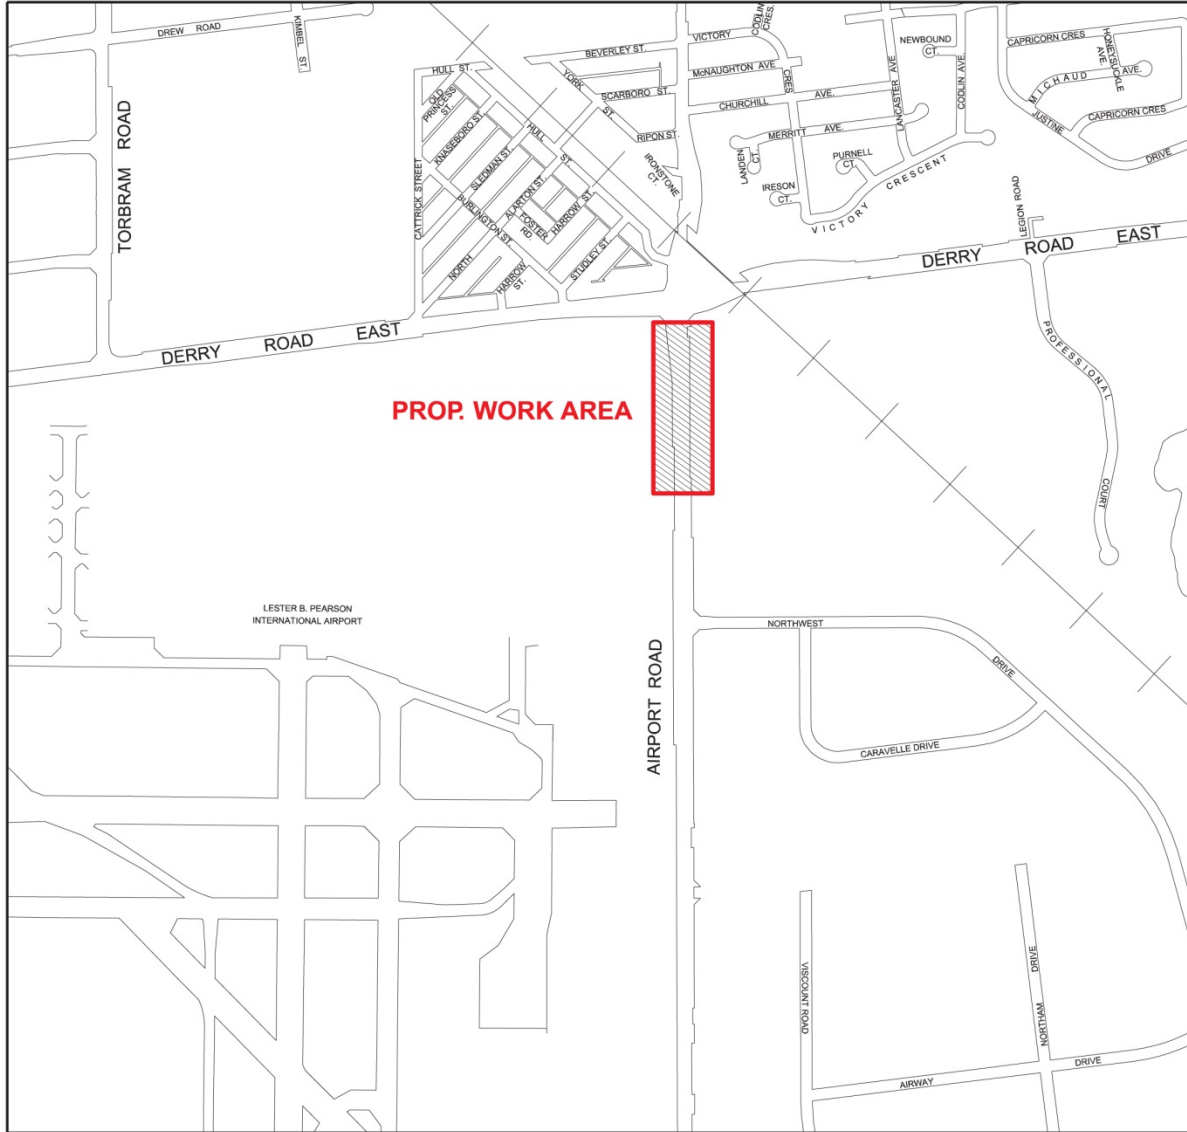

Traffic and Parking Control

- The work will be staged to minimize disruption to traffic and businesses.
- Reduce traffic to two northbound lanes and undertake temporary lane shifts for various stages of the work to isolate the work zone.
- Temporary lane closures will be required during non-peak hours.
- Emergency access will be maintained at all times.
- Barriers and signs will be placed for safety and direction, (as required under the Occupational Health and Safety Act).

Access to the Facility

- We have been advised that our entrance accesses will be maintained during the construction period.
- The Derry Road and the South Airport Road entrance will not be impacted by this construction.
